Village, 5-9-91

To: High comand of fight in mountain

Before we give some news, first in name of population of Village we present our revolucionary salutions and a vow of a long-life for all comrades there are.

1) In according the meeting of Indonesia leaders in jakarta cendana on last Agust 24, 91, about Portugues parliament, President Socharto accepted the come of portugues parliament to East-Timor. But he said to his leaders that portugues parliament does not to investigate, but to observate the development that Indonesia has made in East-Timor during fifteen years than the government about four hundred and half nothing. However, before the arrival of portugues parliament in jakarta, Socharto will send first some Indonesia leaders to East-Timor to prepar places for him.

2) At the same time, on agost, 27 the same year, governor of East-Timor Mr. Mário carrascalão had joinned all public-officers of Dili, and he told about portugues parliament won't influence and no transformation East-Timor situation. And he advised all officers do not partake some activity or demonstration when come parliament of portugues. so Indonesia officers must to form a unity and no sucess the visit of portugues here.

3) On Setembre, 2 this month, administrant of grade II of Dili Mr. Armindo Mariano had met all his officers of Dili about the same situation. He threated that all officers are under the shade of Indonesia flag or "merah putih" do not make some activity or speake with portugues parliament or some strange journalist. And he demand when portugues parliament come all officers must heave flag of Indonesia in front of the houses. In this day, he will send forces controlling the house by house to see who does not heave Indonesia flag. And for those who do not heave flag, he will be killed. Even as portugues parliament come here to reconize the intigration of East-Timor to Indonesia Republic and to give testimony the development of East-T. If portugues parliament take some contrary activity here, he will be killed and throw out to sea. Is better we die with Indonesia flag than the others come and ordering us. And he has own weapon to kill if someone make demonstration.

well, it is our duty to partake there. For high comand pay attention about it.

we have more nothing to go on and we wait for a good reply of high comand
